TESTIMONIALS

The mission statement that we recite has a meaning that we should all live by. The statement means to show our school spirit everywhere we go, and be the face of Christ to everyone we meet. The statement also highlights our faculty, staff, and volunteers. These loving individual doors are always open and here to help us in time of need. Here at Holy Family Holy Name we do not just learn Math, Science, English and more we get to express our faith and that is something truly special.

Kelsey C. - Grade 7

Reflection on the School's Mission Statement Our school mission statement means that Jesus is in the center of everything we do. Everyone in the school is in the center with Jesus, learning to grow as Catholics, and we're strong in faith. The people around me show me kindness and how to be like Jesus. Grandma Del is kind and helpful like the teachers and aides. She helps us with our reading groups and shows us kindness.

Aden A. - Grade 3

Holy Family – Holy Name School is a Christ-centered academic community instilling Catholic beliefs and gospel values; nurturing students' gifts of faith and intellect by surrounding them with a family of faculty, staff and volunteers whose vocation it is to serve.
